Mattresses

All of our mattresses are made in Britain, most being made right here in Yorkshire! We pride ourselves on our mattress knowledge, all of our staff have been trained by our suppliers so we can let you know exactly what's inside. With so much choice of fillings and spring combinations it's always best to try before you buy, you can find our extensive range in both shops ready to try. Prices given are for 4'6" which is standard double size although we do have any mattress sizes.
